INDEPENDENCE NONTRADITIONAL SCHOOL
In Collaboration with Samaha Associates

Excellent Schools Are Everyone's Business

Message from the President, Melissa Boyle, SPARK

On behalf of SPARK, the Education Foundation for Prince William County Public Schools (PWCS), I wish to express our deepest thanks for your sponsorship of the "Tee Off for Education" Golf Classic.

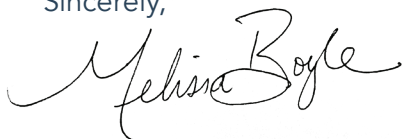

The purpose of this tournament is to raise funds for the SPARK Grants program. These funds are used by teachers to support new programs that improve student achievement and inspire learners to use their knowledge, technology, and creativity to think at higher levels, leading to greater outcomes. Your sponsorship is an investment in strengthening these education programs in PWCS.

Your commitment as a sponsor demonstrates your confidence in SPARK's efforts to enhance educational excellence. Thank you for your willingness to invest in the future of PWCS students.

We are happy to have you join us for the 30th year of the "Tee Off for Education" Golf Classic. SPARK looks forward to hosting this tournament for many more years to come.

The purpose of this tournament is to raise funds for the SPARK Grants program which funds a variety of new and innovative programs that enrich the lives of the nearly 90,000 students in Prince William County. These programs are not normally possible through limited school budgets. Supporting these new programs improves student achievement and inspires learners to use their knowledge, technology, and creativity to think at higher levels, leading to greater outcomes. Your sponsorship is an investment in strengthening these education programs in PWCS.

Sincerely,

A handwritten signature in black ink that reads "Melissa Boyle". The signature is written in a cursive, flowing style.

Ms. Melissa Boyle
President, SPARK

Data + Communication = Meaningful Engagement

With SchoolStatus, educators can engage families and students along every step of their education path.

Powerful tools for student data analysis and 1:1 communication, all in one place.

Keep track of attendance, performance, discipline, and at-risk students with easy-to-understand data visualizations and custom dashboards.

Communicate in over 100 languages with all conversations tracked and recorded for full transparency.

Call, text, and email through the platform—without sharing a personal phone number.

Transform student outcomes through data-informed communications!
